Dionysian Mysteries of Mainland Greece and the Roman Empire are thought to have evolved from a more primitive initiatory cult of unknown origin perhaps Thracian or Phrygian which had spread throughout the Mediterranean region by the start of the Classical Greek period. Its spread was associated with the dissemination of 'Dionysian Mysteries Temple Illuminatus'.

May 7th, 2020 - The Dionysian Mysteries largely remain just that a mystery. The secrecy surrounding them has been even more successful than that around the rites of Eleusis with whom they probably had some similarities at least in their Classical Greek manifestation though they were it seems far older. Fortunately we do have some clues to their nature and historical snapshots of some of their rites.'
Mystery religion

Mystery religion any of various secret cults of the Greco-Roman world that offered to individuals religious experiences not provided by the official public religions. They originated in tribal ceremonies that were performed by primitive peoples in many parts of the world whereas in these tribal communities almost every member of the clan or the village was initiated. June 2nd, 2020 — Mystery schools and Greek mythology — what gets better than that? The first stop in exploration is the god of wine’s name, Dionysus. He is most famously known for being the god of wine, but he is also associated with fertility, the theater, madness, cultivation, and religious ecstasy. It is the latter part which is fairly intriguing.

The Mystery of Union with God: Dionysian Mysticism in May 28th, 2020 — The Mystery of Union with God considers a broad range of themes in the early Albert’s corpus and in Thomas that underlie their mystical theologies and may bear traces of Dionysian influence. These themes include the divine missions, anthropology, the virtues of faith and charity, primary and secondary causality, divine naming, and eschatology.

June 1st, 2020 - The Apollonian and Dionysian in his first book, The Birth of Tragedy, Nietzsche examines art, particularly ancient Greek plays, while he didn't write the last word on the subject. He did use the book to introduce a concept which would continue to appear in his thinking long after he dismissed his earliest work as badly written, ponderous, embarrassing, image mad and image confused.
